

King Groening – the four-person band from Villach plays alternative rock with a powerful impact. Original compositions, some with socially critical lyrics, are aimed at fans of 80s and 90s rock music. The band was founded in 2021 by lead singer and guitarist Michael Krügl and drummer Franz Lamprecht. The quartet is completed by Friedl Wilpernig on keyboards and Jörg Hayden on electric bass.

The first single, "Over," is available on all streaming platforms.
